

# Avid Technology, Inc.

## Date

Spring 2010

## Project

Burlington Campus Headquarters  
65, 75 Network Drive  
10 North Avenue  
Burlington, MA

## Products

Knoll Autostrada, Knoll Currents, Knoll Calibre,  
Knoll Generation Chairs, Bernhardt, Biofit,  
Datesweiser, Egan, Keilhauer, Mayline, YLighting,  
Metro Shelving

## Project Overview

Office Resources completed the 203,000 square foot Gensler designed headquarters in the spring of 2010. The new project was the largest Boston suburban deal in 2009. The Avid Technology project consisted of the coordination of workstations (650) and numerous conference and training rooms throughout three campus buildings.
